

Shaw Hill – Golf Members consent form

Introduction

You currently receive communications from us via various media platforms, however in May new legislation comes into place which means we need you to re-register your consent so that we can continue to manage and administer your membership.

The EU General Data Protection Regulation (GDPR) replaces the Data Protection Directive 95/46/EC and is designed to harmonize data privacy laws across Europe, this is to protect and empower all EU citizens’ data privacy. This means that there are more stringent rules and regulations that we need to abide by. In order to provide you with more details on how and what we use your information for we have a detailed Privacy Policy that covers the regulations requirements.

Golf Clubs, County and Governing Bodies will process individual personal data in nearly all their activities. This includes data about you and your membership including details about your handicap. We now require consent in order for you to receive communications from the BRS system/ Club v1/ How did I do/ Xpos/ Premier Manager/Shaw Hill and England Golf Union.

The ways in which we intend to communicate with you include email, SMS text, telephone etc. (this list is not exhaustive) The types of communication that will be sent include information on course management information, general information from your sections, newsletters, Shaw Hill offers and club notifications, membership information, product news and offers, special events and competition details.

As we require your consent to send you notifications on BRS/ Club v1/ How did I do, failure to do so will mean that your details on all of these systems will be removed after 25 May 2018 (however not Premier Manager) This would potentially restrict your access on to these systems and would require manual booking via the Pro Shop. Some personal information will still be required but will not be used for any other purpose.

Should you wish to unsubscribe then please contact the Membership Secretary or Club Secretary and refer to the Privacy Policy.

Please sign and return your consent form to Hotel Reception by 14 May 2018 by printing this consent form and signing below.
